This amazingly private heavenly property is situated approximately 7 minutes drive from the ferry at Webbs Creek, just a hop, skip and a jump from the small village at Wisemans Ferry; yet seemingly a million miles away from the hustle and bustle of our busy daily lives.

When you enter the gates of Rosemont you are greeted by seemingly endless vistas of stunning flat land that rolls its way gently to the river. The river winds its way round this property - allowing for picturesque water views from many vantage points.

For the horse enthusiast that dreams of running a stud farm or perhaps running an agistment business or trail riding business (STCA), this is truly the ultimate dream - 100 acres of endless paddocks, trail rides from your front door and a swimming hole - absolute heaven for horse and rider on a hot summer's day. Stables, dressage arena, sheds and tennis court - what more could you want?
